## ANNOUNCEMENT

28.9.2020

### Sitek-Palvelu Oy under the ownership of OEM Finland Oy

#### OEM Sitek – New Business Area in OEM Automatic

The business of Sitek-Palvelu Oy, an expert within process and industrial automation as well as pneumatic solutions, will be merged as part of industrial component specialist OEM Finland Oy 1<sup>st</sup> of October 2020. The change will primarily affect invoicing of Sitek-Palvelu Oy which in the future will happen in the name of OEM Finland Oy.

OEM Sitek, new Business Area in OEM Automatic division, includes operations of Sitek-Palvelu as well as OEM Pressure & Flow and Pumps operations in Finland.

The staff of Sitek-Palvelu will continue operating at the current locations in Jyväskylä and Tampere, Finland, and also Pressure & Flow and Pumps staff will continue as earlier in Turku, Finland.

With this change we seek synergy of two strong players at the market in order to provide our customers even better and more comprehensive service.

Our mail addresses will also change 1<sup>st</sup> Oct, 2020, new address will be [firstname.lastname@oem.fi](mailto:firstname.lastname@oem.fi)  
Note, the existing emails will be used until end of 2020.
